

FLYING NZ SERVICE AWARDS 2022

The Flying NZ Service Awards are awarded annually to an individual and/or an Aero Club at the 2022 Flying NZ Conference Presentation Dinner. This is held in conjunction with the RNZAC Annual General Meeting and the Flying NZ Conference. These awards will be made annually provided the award criteria are met by the individual and the Aero Club. If this is not met then no Award/s will be made.

The awards are for the outstanding contribution in continuing the development and supporting the objectives of Flying NZ and the Aero Club. This contribution will be made by an individual Flying NZ Aero Club Member and/or a Flying NZ Member Aero Club.

PROCESS

→ There will be two Categories

- The Flying NZ Aero Club Service Award
- The Flying NZ Individual Service Award

→ Nominations will be accepted by the Executive Secretary of Flying NZ execsec@flyingnz.co.nz no later than Sunday 06th June 2022.

→ The Nominations will be distributed to a panel of 3 Flying NZ Executive Committee Members for discussion and consideration regarding those Nominees who meet the criteria.

→ The Executive Committee will endorse and confirm the selection of the winner, with the subsequent presentation at the Flying NZ Conference Presentation Dinner.

→ In any one year an award could be made to both an Aero Club and an individual- this is subject to approval by the Flying NZ Executive.

CRITERIA

→ This Award is for voluntary contribution only. A nominee whether they are an individual member or an Aero Club shall receive no pecuniary gain from their activities.

→ The Award is for a significant contribution to any area of the Flying NZ activities in line with their objectives

→ The recipients must be a Member of Flying NZ either as an Aero Club or an individual Member of an Aero Club.

→ Activities for individual Aero Club Members could include Young Eagles involvement, participating in the organization of the Competitions and

FLYING NZ SERVICE AWARDS 2022

involvement in special Aero Club projects such as advocacy and general assistance wherever needed at an Aero Club level to promote general aviation for sport, recreation and fun in a safe environment.

→Activities for Aero Clubs could include advocacy at a club or national level, supporting changes to the Rules through reviews and submissions, supporting Flying NZ activities such as the Regional and National competitions and special projects as well as community projects to promote the Club and its activities.

***Close Off Date is Sunday 06th June 2022**
